

Docket No. 2003-052-TAP

**ABSTRACT OF THE DISCLOSURE**

**TAPE CARTRIDGE MEDIA ACCESS DOOR**

5       A magnetic tape cartridge with a sliding door and a  
belt. A slider mechanism of the cartridge engages a tab  
inside a drive when the cartridge is inserted. The slider  
mechanism is attached to a door of the cartridge by a  
belt. Moving the slider causes the door to move. A  
10   compression spring provides force to close the door.
